TEAMAN CO.

### **Teaman Company : Pioneers of Green and Oolong Tea in Iran**

Founded in ( 1370) 1991 in the lush and fertile region of Lahijan, the heart of Iran's tea industry, Teaman Company is committed to transforming the tea sector and promoting the culture of consuming tea. With over a century of tea industry experience, we operate five state-of-the-art tea factories across various regions, dedicated to enhancing the quality of tea and catering to diverse tastes. Our product range includes natural, fruity, and herbal teas in an unparalleled variety of flavors and packaging, all produced with the highest quality standards using modern equipment.

**Our factories include:**

**Ibrahimi Brothers Tea Factory**  
in Bazan Village, Astanah Ashrafiyeh

**Ansar Tootaki Tea Factory**  
in Tootaki Village, Siyahkal

**The historic Qavam Al-Saltaneh Tea Factory (the third tea factory in Iran)**  
in Bazkiagurab Village, Lahijan

**Tima Tea Factory**  
in Morad Dehandeh Village, Lahijan

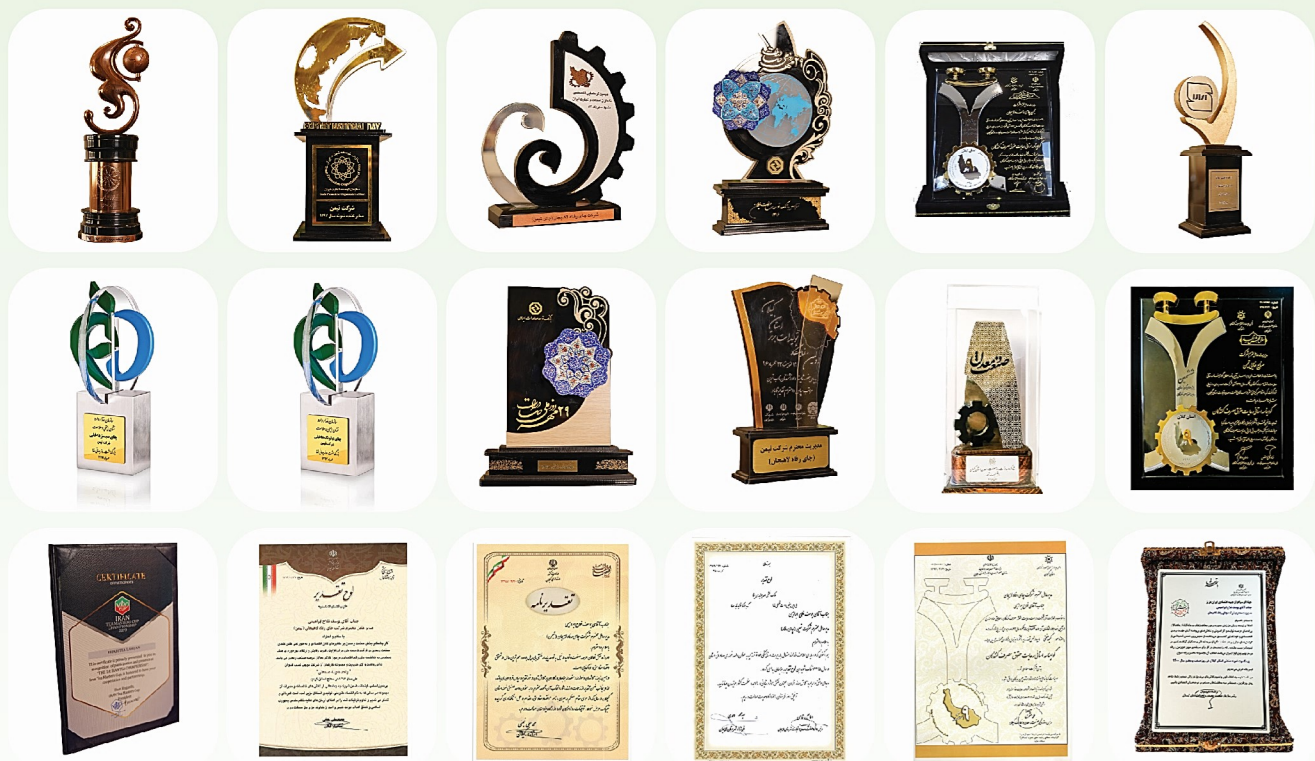

**Astan Omran Refah Tea Factory**  
in Setlasar Village, Lahijan

**Teaman company** prioritizes the high quality of products and with a better understanding of the needs and expectations of customers, in addition to the domestic market, it also operates in foreign markets. The field of export so far is with various countries such as **Russia, Australia, Germany, America, Oman, Turkey, UAE, Kuwait, Iraq, Czech Republic, Uzbekistan, Tajikistan**, has cooperated with **Turkmenistan** and **Afghanistan** and has been selected as the sample exporter of the province for eight consecutive years (from 1392 to 1399).

**Part of the honors of Teaman Company.**

In (1387) 2008, Teaman made history by producing **green tea** from Iranian tea bushes for the first time, which had previously been %100 imported. This achievement earned Teaman the title of the founder of the green tea industry in Iran and our CEO the honor of being recognized as the father of green tea in Iran.

In (1389) 2010, we successfully introduced **Oolong tea** to Iran, a symbol of Eastern beauty recognized internationally. The year (1391) 2012 marked another innovation with the production of white tea and cakes containing green tea and cocktails, maximizing the value of this green gold.

Today, we offer a diverse range of green and black teas in various packaging, weights, and flavors (including orange blossom, cardamom, mint, cinnamon, jasmine, apple, and peach), along with cakes, cookies, sugar, rice, spices, and legumes under our trusted brands: **Refah, Sogand, Fatima, Teaman, Tima, and Behfar.**

Aligned with global standards and driven by our dedicated Iranian experts in the R&D unit, we have achieved ISO 2015-9001 and ISO 22000 certifications, received international quality stars from TUV Germany, and obtained HACCP certification for quality management and health safety. Our green and Oolong teas have earned national standard certifications and health safety marks (Health Apple). Additionally, we have been recognized for consumer rights compliance for eight consecutive years and have received accolades as a lasting figure in green tea production and as an exemplary industrial unit.

**Vision:**

"To be a global leader in organic tea production, renowned for our commitment to health, sustainability, and the empowerment of local communities through the fusion of ancient wisdom and modern innovation."

**Mission:**

"At Teaman, we are dedicated to producing the highest quality organic tea that nourishes both body and soul. By harnessing the rich heritage of traditional tea cultivation alongside cutting-edge agricultural practices, we aim to create sustainable job opportunities for local communities. Our mission is to share the unique flavors and health benefits of our tea with the world, promoting well-being and environmental stewardship in every cup."

**Values:**

1. **Health:** We prioritize the well-being of our customers by providing pure, organic products that enhance health and vitality.
2. **Sustainability:** We are committed to environmentally friendly practices that protect our planet for future generations.
3. **Cultural Respect:** We honor and integrate local knowledge and traditions in our production processes, celebrating the rich heritage of tea cultivation.
4. **Quality:** We strive for excellence in every aspect of our production, ensuring that our teas meet the highest standards of quality and flavor.
5. **Innovation:** We embrace a spirit of innovation, blending ancient techniques with modern technology to improve our processes and products.
6. **Community Empowerment:** We believe in creating job opportunities and supporting local communities, fostering economic growth and social development.
